DATE: MARCH 1, 1983 *G. C. A.*

FROM: VICTOR H. TINUCCI

SUBJECT: BROWN & WILLIAMSON FILTER PATENT IN COSTA RICA
(Our Ref: Costa Rica Country File)

I enclose a copy of a recent patent application filed by Brown & Williamson Tobacco Corporation in Costa Rica which has come to my attention. This appears to be a claim for a BARCLAY type filter.

If there are valid grounds, you might wish to lodge an objection to this patent application.
